

We at American Security Programs would like to extend our condolences to the family, friends, and co-workers of Mr. Stephen T. Johns. On June 10, 2009, Mr. Johns was killed in the line of duty. Mr. Johns was working as an employee of Wackenhut Services, Inc., and he had been rendering protective services at the United States Holocaust Museum for the past six years.

Mr. Johns was a long-standing employee of the security industry. He will be honored in our memories as a respected peer and a true professional whose alertness and heroic sacrifice protected so many other potential victims – young and old – from harm.

On behalf of American Security Programs, we would like to express our deepest and most sincere regret for the tragic loss of Mr. Johns. Our thoughts and prayers are with those who were close with him.

With Sorrow,

The Staff of American Security Programs
